PROFILE SUMMARY

Motivated Computer Science undergraduate with skills in web development and UI/UX design. Experienced in building responsive web applications and user-friendly interfaces. Strong problem-solving, communication, and adaptability skills, with the ability to contribute across development, design, and analytical roles.

EXPERIENCE

Approtech R&D Solutions Pvt. Ltd.

May 2025 - Jun 2025

Full Stack Developer Intern

- Built responsive web interfaces using HTML, CSS, and JavaScript.
- Developed dynamic and reusable UI components with ReactJS.
- Explored FastAPI for backend development and demonstrated strong self-learning and adaptability skills.

TECHNICAL PROJECTS

Resturant Menu Card

HTML, CSS

Designed and developed a personal portfolio website to showcase projects, skills and experience. Implemented a responsive layout and interactive UI components to ensure a dynamic and user-friendly experience.

Music Streaming App — UI/UX Design (In Progress)

Currently designing a music streaming app in Figma, starting with the Android compact screen as the base. Planning to extend the design to be fully responsive across tablet and desktop screen sizes
